

createNewLeaf

```
graph LR; A[createNewLeaf] --> B[createLeaf]; B --> C[createBTNode];
```

A flowchart illustrating a sequence of three operations. The first operation, 'createNewLeaf', is highlighted with a gray background. A blue arrow points from it to the second operation, 'createLeaf', which has a white background. Another blue arrow points from 'createLeaf' to the third operation, 'createBTNode', also with a white background. All three operations are contained within rectangular boxes with black borders.

createLeaf

createBTNode
